

Dear FOIA Officer:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, as amended, and the FOIA regulations promulgated by the U.S. Environmental Protection Agency ("EPA") in 40 C.F.R. Part 2, I request a copy of any and all correspondence or communications between any employee(s) of EPA's Office of Pesticide Programs and any employee(s) of the Agency for Toxic Substances and Disease Registry (ATSDR), based in Atlanta, Georgia, of the U.S. Department of Health and Human Services regarding glyphosate, subject to the below requirements narrowing the scope of EPA's search.

In particular, this request seeks records related to ATSDR's review, assessment, and/or toxicological profile of glyphosate to be conducted in 2015 or 2016. The relevant time frame for the record search is February 1, 2015 through June 1, 2015. This request seeks any record of communications from EPA employees to and from ATSDR employees including emails, electronic records, notes, letters, transcripts, memoranda, or other documents. This request covers all media including electronic, paper, messages, notes, e-mails, video and audio regarding the referenced sites.

I request that EPA identify and produce all responsive records from any EPA office where such records may be found. If all or any part of this request is denied, I request that I be provided with a written statement of the grounds for the denial. If you determine that some portions of the requested records are exempt from disclosure, please provide me with the portions that can be disclosed.

I request that responsive records be released as soon as they are available. To the extent that some subset of the requested records is readily available, please forward them to me while EPA searches for other records. Please provide the requested records in electronic format if it is more convenient for the Agency.

In order to help to determine my status for purposes of determining the applicability of any fees, you should know that I am a law firm. Please advise me as to the cost, if any, for inspecting the records described above and responding to this request.

Please contact me at 703-740-7986 with any questions concerning this request. Thank you.

Sincerely,

Jon D. Jacobs
